

# Corpus Christi Catholic Primary School

Part of The Romero Catholic Academy

Corpus Christi Catholic Primary School offers a wonderful, inspirational and caring environment to the parish and community it serves. Working together with our families we strive for academic excellence in all we do. We are proud of the range and quality of experiences our children receive within an environment where each individual child is nurtured and cherished.

Our exciting curriculum is both engaging and challenging for all children whilst offering opportunities to enrich learning ; creating moments that matter as they grow and achieve their full potential.

In addition to our broad and balanced curriculum, children have access to an extended provision before and after school where they can access a wide range of stimulating activities.

Our nursery offers all day provision , including the 30 hour entitlement.

## Our achievements:

- ★ Good Ofsted rating
- ★ Outstanding RE curriculum
- ★ Continued upward trend in pupil outcomes
- ★ Outstanding learning environment
