

Corpus Christi Catholic Primary School
Year 4
Autumn Term 2017
Topics: Victorious Victorians
Look at the skills I will develop this term:

Drivers

- **Enquiry** – Facilitating and enquiring mind.
- **Creativity** – Developing the whole child creatively across the curriculum.
- **Aspirations** - Encouraging a desire to explore the possibilities.
- **Spirituality** – Deepening an awareness of all faiths.
- **Perseverance** – Enhancing the ability to be resilient at all times.

Science

- Describing ways in which nutrients and water are transported within animals.
- Describing the simple functions of the digestive system in humans.
- Identifying the different types of teeth in humans and their functions.
- Identifying and naming a variety of living things in the local and wider environment, using classification keys to assign them to groups.

Computing

- Understanding computer networks and how they provide services.
- Selecting, using and combining a variety of software on a range of digital devices to design and create a range of programs.
- Designing, writing and debugging programs that accomplish specific goals.

RE

- Understanding from the story of creation that human beings are made in God's image.
- Understanding that through the anointing with the Oil of Chrism in the Sacraments, we celebrate and respond to God's call in our lives today.
- Knowing some stories about Jesus' ancestors.
- Understanding that angels are heralds of important messages.

Online Safety

- Recognising acceptable and unacceptable behaviour.
- Identifying ways to report concerns about contact and content.
- Exploring technology safely, respectfully and responsibly.

The Arts

- Using coiling, overlapping, tessellation, mosaic and montage.
- Commenting on artworks using visual language.
- Recognising the notes EGBDF on the musical staff.
- Singing in tune from memory with accurate pitch.

Creative Curriculum
 (History, Geography, Design & Technology)

- Using appropriate historical vocabulary to communicate.
- Placing events, artefacts and historical figures on a timeline.
- Describing the changes that have happened in the locality of the school.
- Using maps and atlases to locate and describe features.
- Using scientific knowledge of the transference of forces to choose appropriate mechanisms for a product.

Wellbeing

- Knowing my attitudes and actions make a difference to the class team.
- Understanding that my actions affect myself and others.
- Understanding that sometimes we make assumptions based on what people look like.

British Values

- Understanding rules of the law.
- Recognising individual liberty.
- Developing awareness and respect for a variety of faiths and beliefs.

PE

Circuit training

- Competing with others and aiming to improve personal best performances.

Gymnastics

- Planning, performing and repeating sequences.

Football

- Passing to team mates at appropriate times.
- Developing physical strength and suppleness by practicing moves and stretching.
