## Project expectations

\*All projects are to be neatly organised and completed to a high standard.

\*You can be as creative as you like. Children need to show that they are using a wide range of materials and techniques. This may comprise of taking photos, drawing pictures, and writing to create posters, 2D/3D models, leaflets, stories etc. Projects may be completed on computers.

## How to use the homework mat

\* All boxes in **red** must be completed either daily or weekly.

\* Children may need some adult support with their projects.

\* You only need to complete one project from the three choices below.

This project is due in on **Thursday 1st March 2018**

### **RE project**

Research the value and virtue of generosity and gratefulness. Think about what you are grateful for and how you can be generous to help others..

Write a prayer to God expressing all the things you are grateful for, thanking him

### **British Values**

Design a detailed poster depicting the five British Values and how we promote these values at Corpus Christi. Research British Values online and think about all of the things we do at school to promote them. Your poster should be informative and neatly presented. Your poster could be displayed in school

### **Creative Curriculum—WW1**

#### **Investigate and create an air raid shelter**

You'll need to find out just what an air raid shelter was and what they were used for. Collect information and resources and present findings imaginatively.
