School News

Dear Parents/Carers,

We kicked off this week with our anti-bullying week led by Mr Clark, where we all showed off our odd socks! During the assembly, we learned about three key words: repetition, intentional and respect. We also looked at the importance of being kind. Following on from this, all classes completed work around how to ensure that bullying is not to be tolerated by anyone.

It has certainly been a busy week for the teachers with parent consultations across the week. I hope that you managed to book a slot and found the meetings informative to see how your child is progressing and how you can continue to support them. Unfortunately, due to isolation and illness, we have had to re-arrange meetings for Mrs Cortese. These have been planned for Monday 29th November and Wednesday 1st December. Further information will be sent out so that these appointments can be rebooked.

On Wednesday, we had the pleasure of welcoming some of our governors into school to evaluate our progress on key school improvement priorities for this year. During the day, they had the opportunity to meet parents; speak to pupils and staff, and they took part in a learning walk around the school. They were certainly impressed with the efforts of the staff and pupils and the progress the school continues to make as it makes its way out of the pandemic. I would like to take the opportunity to thank them for volunteering their time, as well as the staff for their continued hard work.

In school, we have seen the number of positive Covid-19 cases rise. You will have been notified if your child has been a close contact. Please follow the guidance carefully as this may change as we continue to navigate our way through the ongoing pandemic. We strongly advise that parents/carers continue to social distance as you wait to come into school or when on the school grounds.

Finally, thank you to everyone who was able to contribute to Children in Need. The children enjoyed the opportunity to dress down and we managed to raise £392.18 which is fantastic.

Have a lovely weekend.

Today year 1 visited another planet! We travelled to Beegu's planet to see what it looks like! We then came back to class and drew her planet.

Year 2 recreated a Pudding Lane bakery today and made biscuits. We learnt how to weigh, sieve, mix and roll ingredients. We had lots of fun making our Pudding Lane biscuits and will use our experience to write instructions this week.

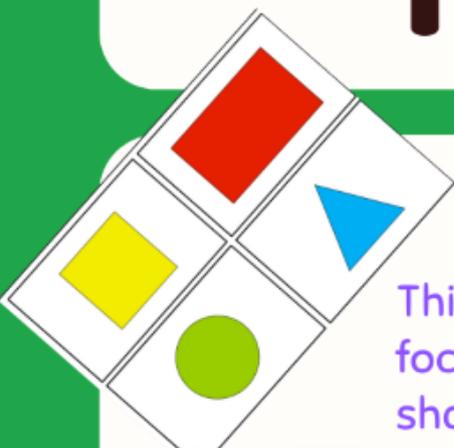

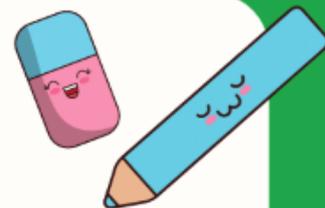

In science today we sorted a variety of animals into the five animal types which were fish, amphibians, reptiles, birds and mammals.

Children in year 3 wearing their odd socks with pride! We love being different and unique and we make sure to celebrate our differences!

Nursery Newsletter

This week in nursery...

This week during our key group time we have been focusing on the difference between 2D and 3D shapes. We have learnt that 2D shapes are flat and 3D have lots of sides. Please use the language "Cube, cuboid, sphere and triangular prism" at home when you can :)

Forest School Thursday went well again this week, we looked for shapes within our environment.

Join our PTFA!

Now that restrictions are easing, the Corpus Christi PTFA (Parent, Teacher and Friend Association) are hoping to start hosting more fun events with the aim of raising funds for the school to undertake specific projects to benefit all children.

With this in mind, we would love for more parents and carers to come and join our PTFA to help out with the various events we would like to provide.

We run many events during the year (in non covid restriction times), including shops, discos, Christmas and Summer Fayres, ice lolly and hot chocolate sales to name a few. And our highlight event is to organise and host the Year 6 Leaver's Ball each year.

Some of this is in school time, some of it is outside of the school day, it can include shopping, wrapping gifts, clearing up after events, contacting retailers for donations, helping out at discos etc – its varied! Helping out with the PTFA is also a great way to meet new people within the school!

You do not need to commit a specific amount of time, but if you feel you can contribute some time to help run events, please email friendsofcorpuschristi@gmail.com

and we will get in contact with you, or leave your contact details with the School Reception and they will pass the information on.

Prayer of the Month

Eternal Rest

Eternal rest give unto
them, O Lord,
and let perpetual light
shine upon them.

May they rest in peace.

Amen.
