## School News

Dear Parents/Carers,

This week we were joined by some of our Local Academy Committee members for a learning walk around the school where we had the opportunity to observe child led prayer and liturgy across the school. It was a delight to see how reverent and engaged the children were during this special time and the uniqueness of worship that we witnessed in each class. This was followed by Mrs Cakebread carrying out pupil conferencing with selected children on how they live out the school's mission and values. She was very moved by the obvious joy children feel at school and how passionately they spoke about being part of the Corpus family.

Today we were fortunate enough to be joined by the lay chaplain team from Cardinal Wiseman, who led our Year 6 children on a special confirmation retreat. The children had the opportunity to recall and apply their learning from the sacramental programme that they have been working through and finalise the last part of their preparation for the big day, next Wednesday evening at 7pm at Corpus Christi Church. Please keep them in your prayers during this special time and you are more than welcome to join us at the mass to celebrate this sacred Sacrament.

Well done to the children who represented the school in the netball and football games this week. Mr Clarke and Mr Byrne were impressed with their attitude and determination in the matches. The results are further down the newsletter.

Although we have now moved away from the government's Plan B, can I please ask that you continue to maintain a safe distance from others whilst entering the school site and respect the

concerns that some others may still have at this time. When entering off Langbank Avenue, please allow those parents who have queued to enter school have priority.

This week has been particularly challenging week with 5 members of staff having to self-isolate this week which has placed significant pressure on the remaining staff. Although we have been able to operate as normal, it does create additional work for staff who continue to be amazing throughout these challenging times. Therefore, please continue to carry out the twice weekly LFD tests and be mindful of the challenges school continues to face on a day to day basis.

Today we said goodbye to Sue Elliot after 14 years of dedicated service to the children of Corpus Christi school. She has ensured that lunch times have been a source of great joy for the children over the years who will remember her fondly. We wish her well in her retirement and hope that she enjoys her new chapter as she moves to be with family in Sunny Skegness.

As always, thank you for your support and have a lovely weekend!

Mr K. Shakespeare

### Calendar

#### February

Tue 1st– Dol-y-Moch Parent Meeting 5:30pm

Mon 7th - Open Library Session Year 5

Tue 8th-Open Library Session Year 1 & 2

Wed 9th-Open Library Session Year 3

Thur 10th-Open Library Session Year 6

Fri 11th-Open Library Session Year 4

Fri 18th– Break up for Half term

Mon 28th– Return to school

#### March

Wed 16th - Dol-y-Moch trip

This term we are collecting non-perishable food items for our local foodbank.

We were blown away by your generosity before Christmas and your donations will have made a huge difference to so many families.

The volunteers at the foodbank have shared with us that the time after Christmas is often most difficult for lots of families using our local foodbanks and therefore your kind donations will again have a huge impact. Let's see if we can make a difference again this term.

Any donations are much appreciated!

### Catering Survey

We are calling on all parents/carers to complete the survey below to provide feedback on our school meal provision.

Every completed survey will be entered into a prize draw with a chance to win a £25 Tesco voucher.

# Snapshot from Facebook

Year 1 carried out an experiment to see which material is best to build a house. A big bad wolf came by and blew down the house of straw and sticks. They found that the brick house was the strongest. They discussed why bricks are a good material for a house

This week Year 3 have been learning about length. They have used a range of equipment to measure items around the classroom.

Last week we celebrated our gifts and talents ✨  
at our EY & KS1 Celebration Assembly - well done!

# HOMEWORK!

Year 2	English page 30 Maths page 8&9

# Nursery Newsletter

## This week in nursery...

This week we have been learning all about our emotions. We looked into the mirror and had a go at making our own happy, sad, angry and shocked expressions then spoke about what type of things make us happy and had a go at drawing these.

We had lots of fun on our welly walk this week, we enjoyed a story time and then went on a hunt to collect some leaves, sticks and stones which we will be using for a creative activity next week.

## Tapestry

Thank you to parents who have recently posted pictures and information around your child's home learning.

A special well done to Teofan, Patrick, Zayn, Alex and Trishvin for uploading pictures of their homework this week.

TAPESTRY  
ONLINE LEARNING  
JOURNAL

## Next Week

- Monday - nursery fund £1
- Tuesday - Chinese New Year
- Thursday - Forest school - Bring in Wellies.

## Reminders

- Please make sure your child has spare clothes at nursery at all times. (pants, socks, trousers etc)
- Remember to label any uniform to prevent them from getting lost.
- If anyone has any toilet roll tubes over the next week could you bring them into nursery for a creative activity please.

## Cardinal Wiseman Ofsted Visit 30 November – 1 December 2021

We are delighted to share the Ofsted report from our recent visit led by Her Majesty's Inspector of schools, Jane Spilsbury. Ofsted judged our school to be 'Good' in all areas. Jane was accompanied by a team of four Ofsted inspectors including two serving Headteachers (Dr Peter Kent and Philip Hamilton OBE). The report is available online [here](#).

We feel that this report captures the true experience of our students who come to our school every day to learn, to achieve, to be happy, to be challenged, and to be supported in all areas of their lives. It reflects our school beautifully; it is a happy place to be' and a place where there is a commitment to 'inclusion for all.

We have high aspirations. There are still areas where we want to become even better, so please be assured that we are ambitious to further improve as a 'beacon of excellence for Catholic education'. We will build on the success achieved at the Primary schools in our MAC so our pupils make a smooth transition from Year 6 to Year 7 in their journey of learning and faith.

We offer our thanks to pupils, parents, carers, staff, governors and all associated with our school, both past and present, who have helped us to reach this wonderful milestone.

Mr M Everett, Principal Cardinal Wiseman and Mrs H Quinn, CSEL/ CEO, The Romero Catholic Academy
