Dear Parents/Carers,

The last day of term has finally arrived! It has been lovely this week to take time to look back on the many achievements of the staff and children of Corpus and reflect on the journey of our current year 6 before they embark on their exciting new challenges at their secondary schools.

This year has been challenging in many ways for the staff and governors of the school, with continued COVID restrictions and more recently the heatwave. Despite this, the staff have continued to go the extra mile in so many ways to ensure that the children experience good teaching and a wide range of enrichment opportunities. These have ranged from a selection of trips, attending live plays and pantomimes, residentials, listening to guest speakers and being part of the Commonwealth Connections Project. All these experiences help to shape the lives of the children.

This week has been a particularly poignant week for year 6 and as their time draws to an end at Corpus Christi. They have been an amazing group and we will all miss their smiles and personalities around the school. They should be proud of their physical, academic and spiritual achievements during their journey at Corpus and I know that they will be a great success in their new schools. I would also like to extend my gratitude to the year 6 team and members of the PTFA who have worked tirelessly over the last few weeks to provide many wonderful experiences as they finish the year. The children loved dressing up in their outfits and dancing the night away and all had a wonderful goody bag to take away with them.

Sadly, we also wave goodbye to three members of staff, Mrs Lloyd, Mr Maguire and Miss Granaghan. Mrs Lloyd is embarking on a move closer to the coast. We thank her for her work in the office and the time she has taken to enhance the swimming across the school.

For Miss Granaghan, we are thankful for her endless support and patience with the younger children, more recently helping in our mini-hub provision. Finally, Mr Maguire, we are grateful for his ability to make learning fun for the children and staff. Over his time at Corpus he has sought to make learning fun and interactive with the children. As computing lead, he has helped to resource and train staff to be able to ensure the digital world is brought into the classroom. I would like to take the opportunity to thank them for all for their efforts during their time at Corpus and wish them all the best in the next stage of their working lives.

Thank you to our Local Governing Body for their commitment and drive to continue to raise standards within the school. We really do appreciate all the time they volunteer to support us. Finally, I would like to thank you all for your continued support over the year. It has been lovely to once again come together in so many ways throughout the year and I look forward to creating many more moments that matter next year. I hope you all manage to get some rest during the summer.

Have a lovely holiday and see you in the new academic year!
Mr Shakespeare

A Prayer for end of term.

Loving Father

We come to the end of another term
And give you thanks for all the chances we have had
To grow this term, for the friendships formed
For what we have learned about each ourselves
And the wonderful world we live in.

Bless our school

And those who teach and support us,
Bless those who are leaving this term,
May they find happiness in the next stage of
their journey,
Bless those we will spend time with over the holiday,
Our friends and family,
Help us to appreciate what they mean to us.

We make this

And all our prayers
Through Christ our Lord
Our friend and saviour.
Amen.
