Dear Parents/Carers,

There continues to be plenty happening in and around Corpus as the term progresses. We started this week with a bang when Mrs Feeney, our Romero Attendance Officer arrived at our Monday Mission assembly holding the attendance trophy. She congratulated the school on being worthy winners of the Romero attendance Cup pipping second place by the narrowest of margins - just 0.01%. Well done everyone!

On that note, now that we have settled into the new school year, we will be making contact with families where attendance or punctuality continues to be a concern and below an acceptable level. We appreciate that circumstances can change and there are many challenges to good attendance and punctuality, but we also know that it is a cornerstone of achieving a good education and maintaining a job in later life.

On Wednesday, we celebrated our Romero mass at St Patrick's Church. It was a lovely celebration and all of the schools were represented by their own GIFT team. During the mass we celebrated the feast of St Faustina and Fr George reminded us of the simple, but important message of being kind to others. Mass was streamed into the school for all to share. Next week our GIFT team will be heading off to see the relics of St Bernadette in Bicester and we look forward to hearing about their experience.

Today we had the great pleasure of welcoming Dan and Emily from One Life Music into our school for a wonderful whole school retreat day. They led us in prayer and song to reflect and praise God's creation. We spent time together as a whole school, reflected on different parts of God's creation in our classes and then came back together to share our work and thoughts and finished with a beautiful closing liturgy helped by some of our amazing Year 4, 5 and 6 children.

During the month of October, we will be showing a love and affection for Mary through weekly rosary which will be led by Fr Stephen on a Thursday lunchtime. If possible, dig out your own rosary beads and share in this wonderful opportunity at home with your family.

Although we have experienced some technical difficulties, we are hoping that children in KS2 should be able to access the new reading programme, Bedrock with children in Year 2 will be able to use it next week once initial baseline assessments have been completed. The homepage can be found using the web address below.

Finally, Thank you to everyone who helped to raise funds for MacMillan through our cake sales. We raised a total of £136.63 and this money will go to support others in need.

Have a lovely weekend!

Mr Shakespeare.

This week the children were presented with the weekly whole school Romero Attendance Trophy. Well done! Let's keep it up to make sure the trophy will stay at Corpus next week.

We are so impressed with how well our Reception children have settled in over the last few weeks. They are loving making their own playdough, getting muddy outside and exploring all that Autumn has to offer!

Children in the minihub were busy this week creating pumpkin men to celebrate early days of Harvest!
