

Year 6PS Spring Term Homework

Practise spellings, times tables and division facts daily

Read at home every night and get a grown up to sign your reading record.

Complete Reading Eggs and Mathletics each week.

Complete set pages in your Maths and Grammar Question book

Project expectations

All projects are to be neatly organised and completed to a high standard.

You can be as creative as you like. Children need to show that they are using a wide range of materials and techniques. This may comprise of taking photos, drawing pictures, and writing to create posters, 2D/3D models, leaflets, stories etc. Projects may be completed on computers.

How to use the homework mat

All boxes in **red** must be completed either daily or weekly.

Children may need some adult support with their projects.

You only need to complete one project from the three choices below. This project is due in on Thursday 15th February 2018.

Punctuation, Grammar and Spellings

Create a Grammar Revision Booklet detailing all of the different elements of spelling, punctuation and grammar. Give examples, rules and definitions (You could use your homework book to help with the content). This will help you to help yourself and others

History

Using any media form, create a detailed and creative timeline depicting important events in British History.

Think of all of the topics in History that you have studied throughout your time in Primary School. You must include dates, events, people, battles, leaders etc

British Values

Design a detailed poster depicting the five British Values and how we promote these values at Corpus Christi. Research British Values online and think about all of the things we do at school to promote them. Your poster should be informative and neatly presented. Your poster could be displayed in school.
