

Year 2 Spring Term Homework

Practise spellings at least five times a week.

Read at home every night and get a grown up to sign your reading record.

Complete Reading eggs and Mathematics each week.

Times tables and division facts target.

Project expectations

*All projects are to be neatly organised and completed to a high standard.

*You can be as creative as you like. Children need to show that they are using a wide range of materials and techniques. This may comprise of taking photos, drawing pictures, and writing to create posters, 2D/3D models, leaflets, stories etc. Projects may be completed on computers.

How to use the homework mat

*All boxes in red must be completed either daily or weekly.

*Children may need some adult support with their projects.

*You only need to complete one project from the three choices below.

This project is due in Thursday 22nd March .

RE project - Retell one of Jesus's parables

This term we are looking at the miracles Jesus performed and the parables he told. Choose a miracle or a parable and retell it in any format you want. This could be a cartoon strip, a series of pictures, one picture or a written re-count.

Writing project - Write your own script!

Choose a setting, characters and plot– then simply write it out as a playscript.

We will choose one to perform as a class!

Maths project - Produce a set of

instructions as to how to tell the time!

We are learning to tell the time this term. As a fun project you can produce a set of instructions for children who do not know how to tell the time to learn too.
