

Year 4J Spring Term Homework

Practise spellings at least 5 times each week.

Read at home every night and get a grown up to sign your reading record.

Complete Reading Eggs and Mathletics each week.

Times tables and division facts target

Project expectations

*All projects are to be neatly organised and completed to a high standard.

*You can be as creative as you like. Children need to show that they are using a wide range of materials and techniques. This may comprise of taking photos, drawing pictures, and writing to create posters, 2D/3D models, leaflets, stories etc. Projects may be completed on computers.

How to use the homework mat

* All boxes in **red** must be completed either daily or weekly.

* Children may need some adult support with their projects.

* You only need to complete one project from the three choices below.

This project is due in on **Wednesday 14th February 2018**.

RE project - Judaism.

Research the Jewish faith and create a fact file. What similarities and differences are there between the Jewish faith and Catholicism?

Writing project – British Values.

Design a detailed poster depicting the five British Values and how we promote these values at Corpus Christi. Research British Values online and think about all of the things we do at school to promote them. Your poster should be informative and neatly presented. Your poster could be displayed in school

Creative Curriculum – Tudor houses.

For this project you will need to research what houses looked like in the Tudor period. You should then design your own Tudor house which could be drawn or made through junk modelling. Write a detailed description to go with it persuading people to buy your Tudor house.
